BUILT BY THE PEOPLE WHO RUN IT.

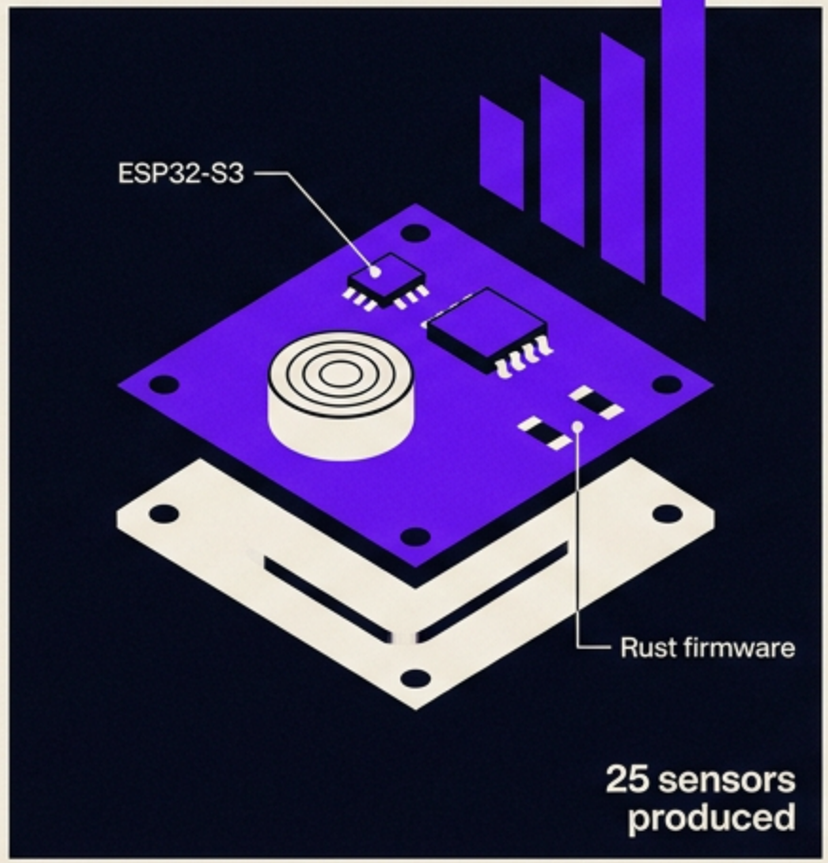

We ran our own infrastructure before we sold any.

A venue is a machine nobody instruments.

So we built the instrument ourselves.

Rust, Go, ClickHouse, Flutter — all in-house.

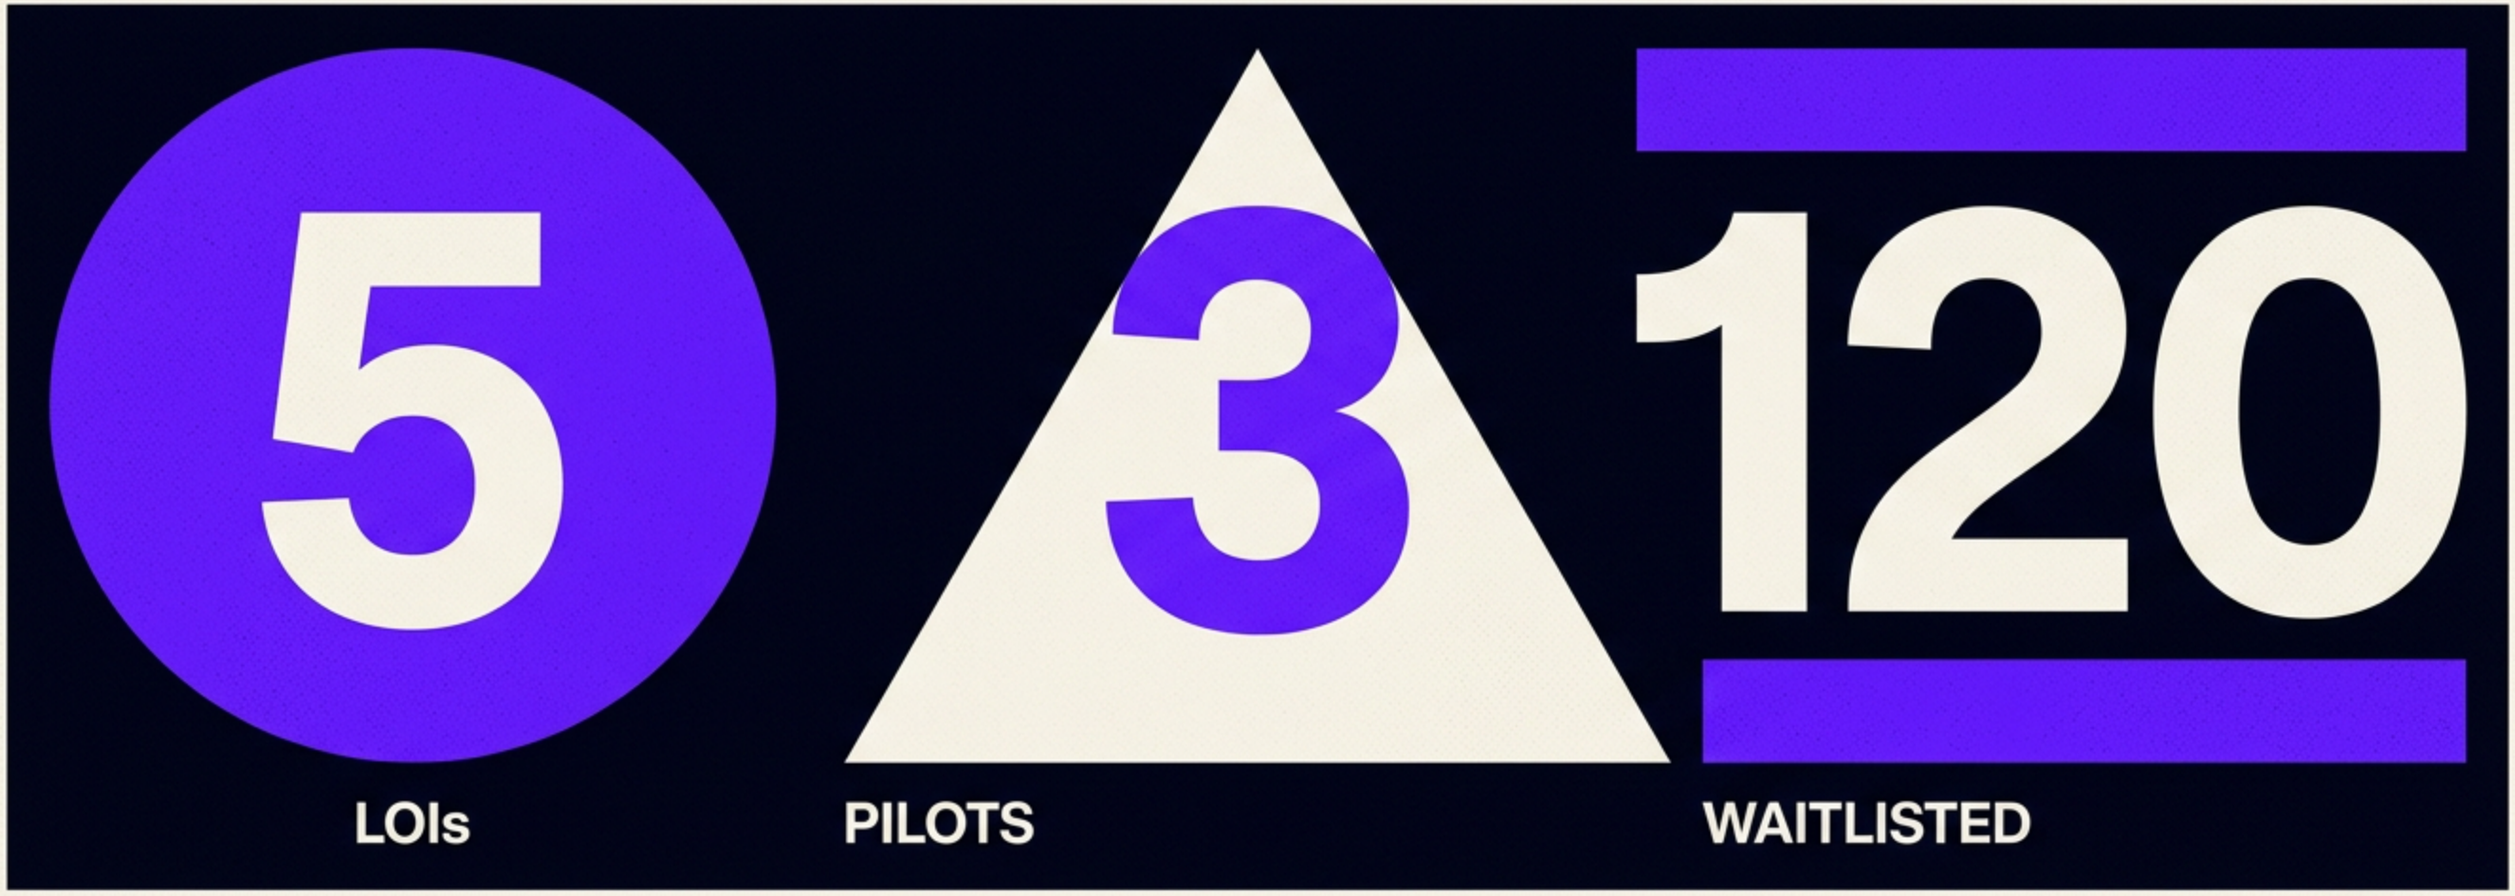

nothing outsourced

One dashboard for the whole night.

Traction: 5 LOIs, 3 pilots, 120 waitlisted.

installing Q1 2027

32,455 German venues. None have this.

32,455

Eurostat NACE I5630, 2024

€149 per venue, per month. Hardware from day one.

€199 per sensor

Patrick Haußmann and SwiftbOy: 137 commits of proof.

€500k to scale what we already shipped.
