A SATURDAY ENDS.
2 AM. lights on.
nothing measured
Nobody knows what happened.

EVERY VENUE TELLS THE SAME STORY EVERY NIGHT.

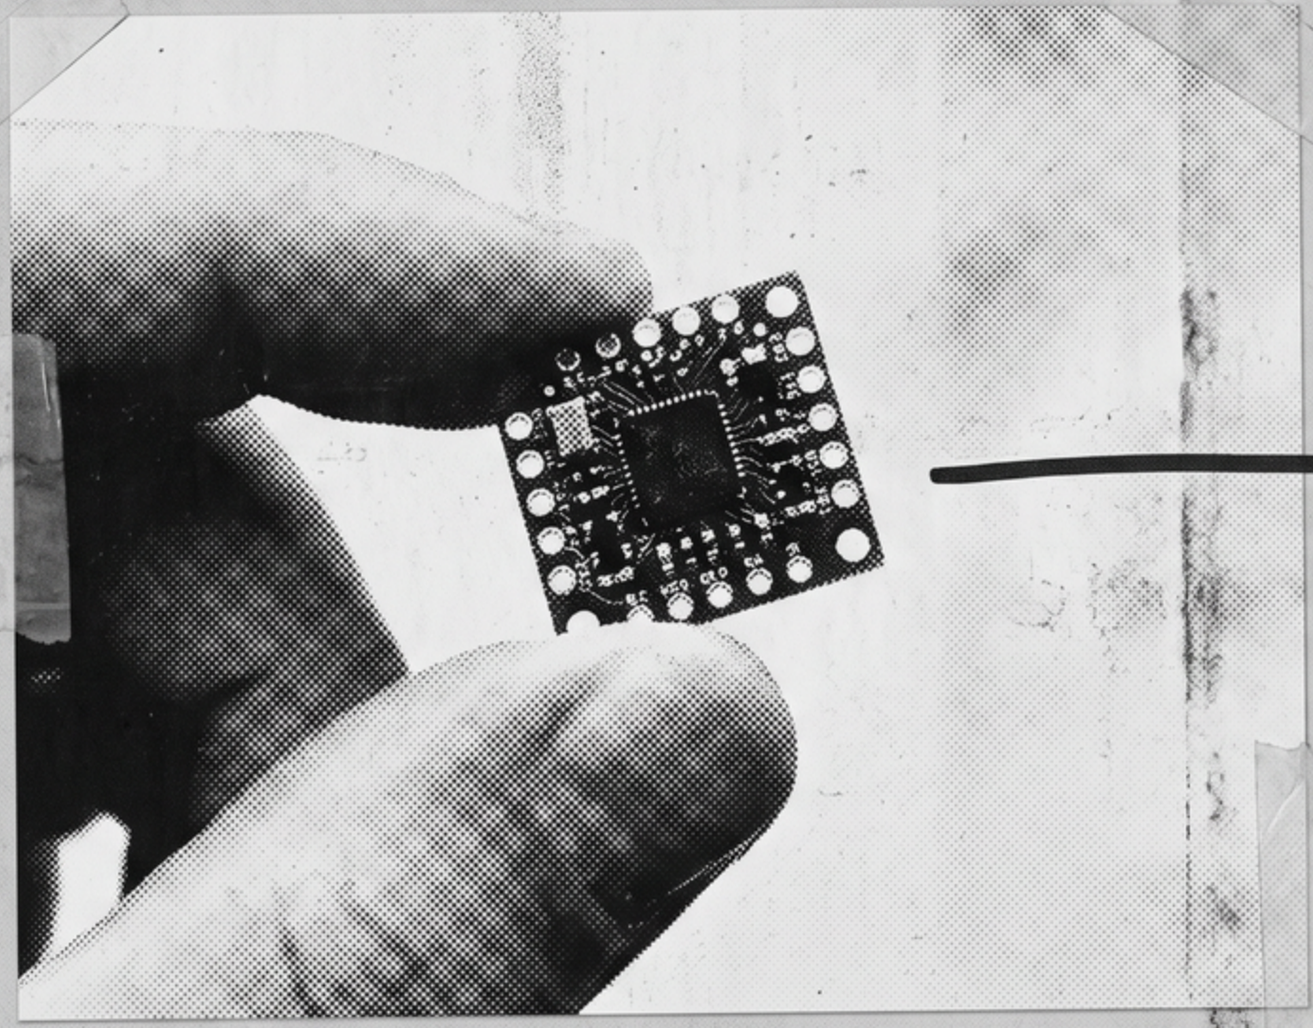
THE TURN: SENSORS GOT CHEAP. RULES GOT STRICT.

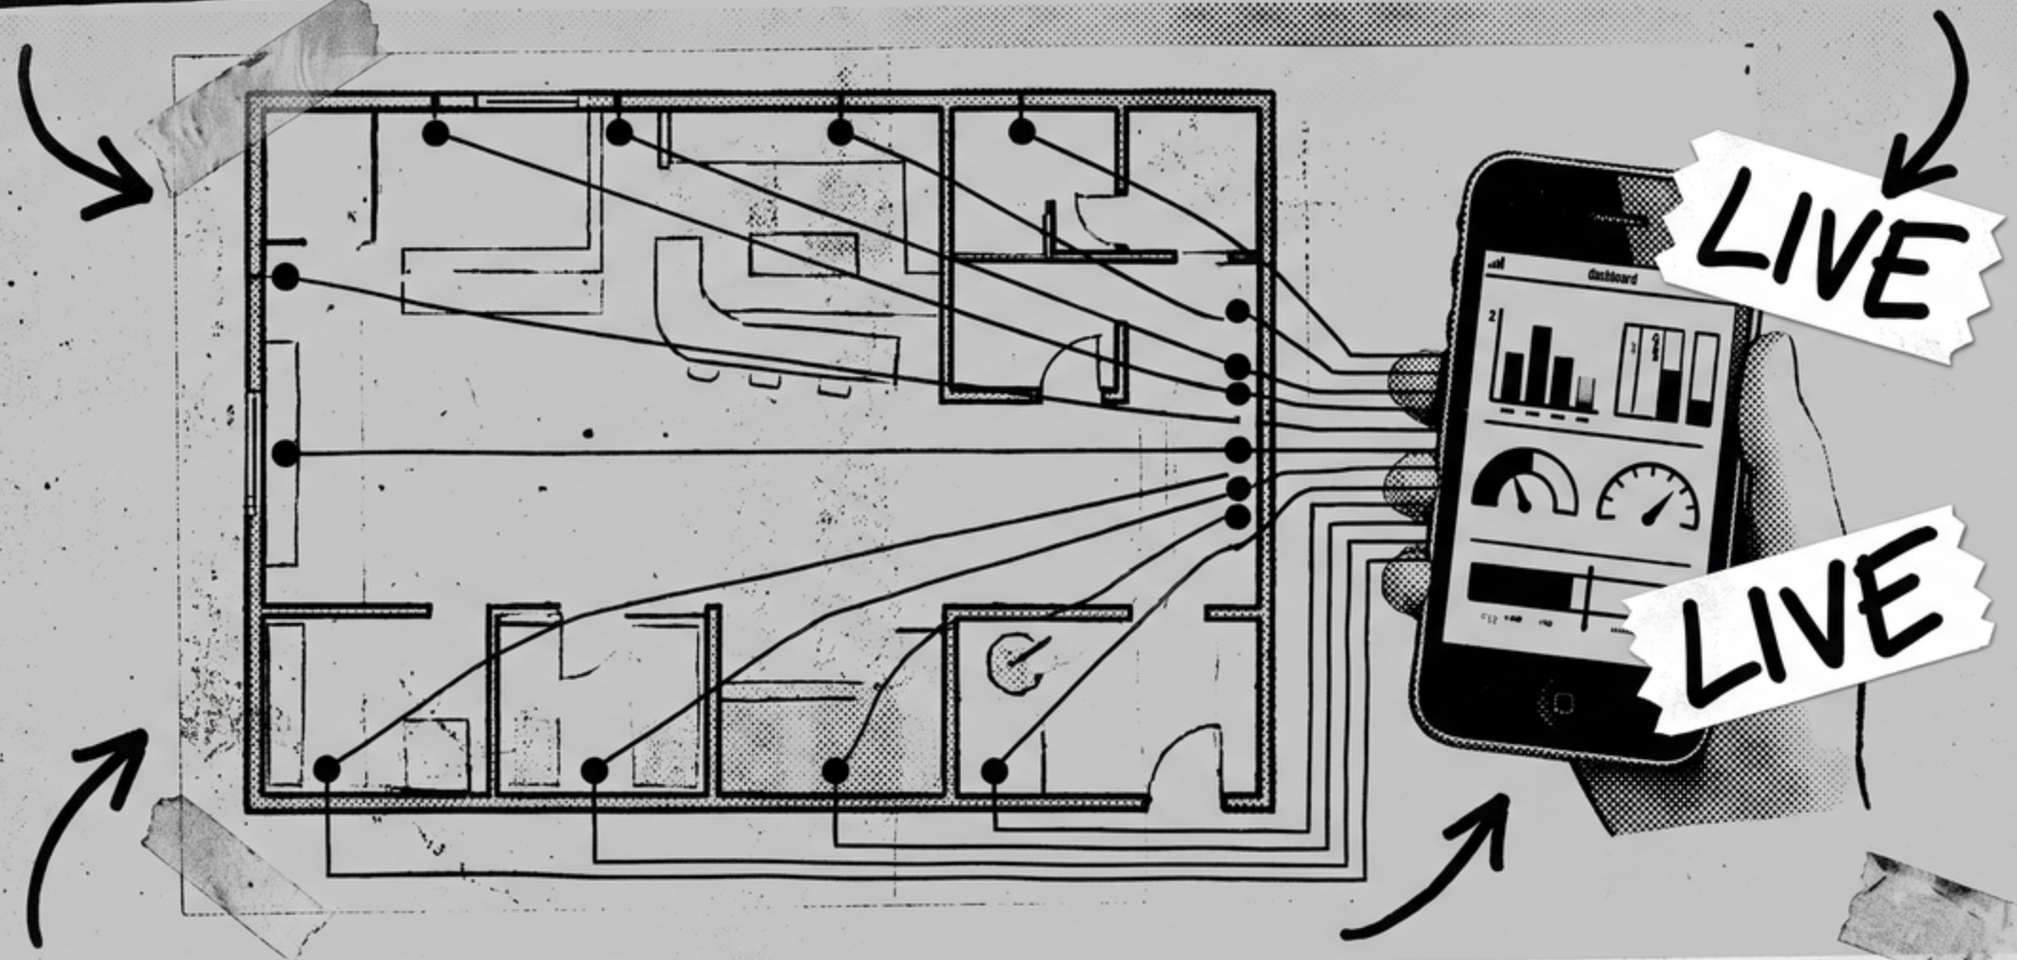


40 dB(A) AT NIGHT

the legal noise limit at the nearest wall

TA Laerm, residential night limit · a sensor costs EUR 199

THE TOOL: A NERVOUS SYSTEM FOR THE NIGHT



sound · occupancy · environment – live, from the wall to the owner.

THE HEROES: OWNERS WITH EYES AT LAST.

same person, same bar - now she can see the room.
